Task-4:

INFOGRAPHICS

Infographics employ pictures, data visualizations, typography, and statistical graphics to tell a straightforward story or present information. Working on an infographic will give you experience with important tools like Canva and Venngage and allow you to exercise your creativity as you think of ways to represent information in a way that is visually attractive, impactful, and effective

The Difference Between Coffee VS Tea

Made from
roasted coffee
beans

Made from tea
leaves, often derived
from the *Camellia
sinensis* plant.

Ingredients
